

Certificate of Shariah Compliance

This serves to confirm that we have reviewed the investment documentation related to the Al Mabroor Agri Fund. We have also conducted a review of the operations of the Fund. Based on the information at our disposal we are of the considered opinion that the Fund and its Management has not violated any investment principles of Shariah and accordingly is compliant with Shariah principles.

We have also conducted a principled calculation of the Zakaat due by investors on their investment in the Al Mabroor Agri Fund for the Islamic year Ramadhan 1444 A.H.

Investors should calculate their Zakaat based on 83.5% of the statement value and are accordingly required to add this value to their other Zakaatable assets and discharge Zakaat on this portion as well, as the fund is not mandated to discharge Zakaat on behalf of investors.
